BEHIND THE SCENES

2894 Tickets were sold at the gate for the Road Runner Regional Rodeo. That is a record for the four years of Arizona Rodeos!!

27 Booths were at this years Rodeo. That's another record!! Many of them have already made plans to return for the Finals Rodeo in October.

62 advetisers placed ads this year. This was the first time that the Rodeo Program paid for itself and more.

31 buckles and 1 crown were all sponsored by the generosity of individuals and businesses. That also is a record of support and interest from the community here and out of town.
