A doctor had just finished a marathon sexcapade session with one of his patients. He was resting afterwards and was feeling a bit guilty because he thought it wasn't really ethical to do it with his patients.

However, a little voice in his head said, "Lots of other doctors have sex with their patients, so it's not like you're the first....."

This made the doctor feel a bit better until another voice in his head said, "...But they probably weren't veterinarians!"

BAY AREA CHAPTER

Words From The BAC President...

A Moment of Pride

Hey folks! What a quick month! Lots of exciting stuff going on and still more in store for the weeks ahead as we lead up to our big event.

You know that saying, "This is what makes it all worth while" that we utter every so often? Like during the big party on Saturday night of the Rodeo or when a contestant wins their first ribbon, buckle or sash? Well, I had one of those the other night in the kitchen of the "Two-Steppin' into Spring" party. Craig Rouse and I were discussing the crowd and how everyone seemed to be enjoying the evening. We were remarking on how great it was to see so many of our members there. Some we hadn't seen in a long time. It was great to see everyone and know that we were providing a place for friends. Sounds a little sappy I know, but it is so true.

So often we get caught up in the business of rodeo production and fund raising, that we loose sight of why so many of us got involved with all this to begin with... to meet new friends and enjoy Country/Western traditions. I'm probably one of the biggest offenders of that in our chapter, and I hope you all can appreciate my desire for top-notch events. Not necessarily the biggest or the most exotic, but solid. Fortunately, our chapter has lots of folks helping to do just that... produce events that people enjoy coming to.

The night was full of aha's for me. While announcing something on the floor I noticed that one of our guests was wearing a buckle from the 96 rodeo. Turns out she was a member of our chute crew from last year. Now there's pride. Not only did she donate her weekend to us, but she also purchased a buckle and wears it for others to see. You can't buy advertising like that.

I guess what I'm trying to say is, in the weeks ahead, our desire to produce a "top notch" event, may make us push hard. When that happens, picture your first rodeo or dance or pool party or date and remember how you felt when it exceeded your expectations. That's the feeling we all want to induce again and again at every one of our functions, big or small.

Thanks for all your hard work during the home stretch and let me know how many times you catch yourself saying, "This is what makes it all worthwhile."

Until next month,
Doug

GREATER LOS ANGELES CHAPTER

Important elections set for May, June

Please be sure to make the May and June chapter meetings, because we have two important elections to hold.

At our May 2 meeting in L.A., we will be electing our new State Board Representatives and alternates for 1998-99. We'll also elect our convention spokesperson. Nominations come from the floor.

The June 13 meeting in Long Beach will be our "Annual Meeting of Members," including election of 1998-99 chapter officers.

The nominations chair received these nominations by its deadline (because of the frenzy of work surrounding of the rodeo, there were few nominations):

President: David Medzerian (declined).

Administrative vice president:

Amy Griffin (accepted).

Vice President/Rodeo Operations:

No nominations.

Secretary: Lenore Mankoff (accepted).

Treasurer: Nils Peterson (declined).

Nominations also are made from the floor at the elections meeting, and can include folks who earlier declined. (Those nominated from the floor must be present to accept, or have indicated in writing their willingness to accept.)

Please give serious thought to what you'd like to do during the next year — including running for chapter office. And remember, you can nominate yourself!

(And thanks to Amy for serving as nominations chair.)

WHAT A HARD DRIVE

► Andie Joseph has come to the chapter's rescue, donating his old computer for use by the chapter treasurer — and saving us the expense of having to buy one. Hats off to you, Andie!

Thanks to everyone for your hard work on the rodeo

Most of April has been spent preparing for rodeo, so we'll hold off on the individual thank-you's until next month, when we've had a chance to catch our breath. But I do want to thank you all as a group for your hard work making Rodeo '98 come together. Whether you were a volunteer, a contestant, a committee chair or a spectator, we couldn't do it without you.

An added benefit is that it shows the community where our priorities *really* are: putting on a successful, fun rodeo and (hopefully) having a little left over to help the community.

Thanks a lot!

— David Medzerian

WHAT'S THE CHATTER

The chapter had a busy April. Sunday the 5th we toured the Lincoln High School Rodeo grounds and the Rio Linda Lions Club rodeo grounds in Central Park. It was good to see everyone and Sammy Van Galder did a good job putting things together. It was also good to see Tim Dean and to have CJ (Cary Jasgur) drive out from San Pablo. The group met at Marshall's for a barbecue and discussion of the day's tour. At the meeting it was decided to check out the Folsom Rodeo grounds before coming to a decision on the location.

AND A DUCKING GOOD TIME WAS HAD BY ALL

Lin Daugherty, with the help of Tammy, hosted our spring fling event at her farm outside of Marysville. Needless to say she is definitely the hostess with the mostess. The Easter egg hunt was definitely a challenge, in fact there is still one hiding out there somewhere. Guest Michael Cooper found the prize egg. The back seat driver contest was also quite enlightening! With harness buggies provided by Lin, couples ran a course through the poles with the "horse" being blindfolded and the "driver" giving directions. You could tell the couples who had been together awhile, and who listened. Luckily there were no divorces. The event that stole the spotlight was the duck-herding contest. After instruction from Lin, couples set out to corral the ducks. Zack and Jeff came away with the prize after cutting out nine ducks from the pen and herding them through a gate to a holding pen across the yard in less than a minute. After we chowed down some great food brought by everyone for the potluck, Bill Hause and Chuck Valdes supplied desert, debuting "Arena Rodeo Stuff", you will have to contact them for the secret recipe.

PRESIDENT'S CORNER Mark Marshall

Hopefully with spring comes a renewed activity in the Capital Crossroads Chapter. We have had a great April, and with the LA rodeo in our memories and the Bay Area Chapter's rodeo in early June on our horizon, there will be a lot going on. I would encourage all of you to volunteer to work this rodeo, as we need to build up experience to better host our own. Call the Bay Area chapter hotline listed in the Chute or call me to get more information. Our biggest event of the year, the Barn Dance, is scheduled for June 13th, but we are awaiting confirmation

on the location. Dan Self is working to put together a horseback camping trip for late June or early July.

Elections are also coming up in July and will be here before you know it. Please give some consideration on which you think can best help direct the Chapter in the coming year, as it will be a critical one. The officers you elect will be the driving force in preparing for the Sacramento GSGRA rodeo scheduled for August 1999. If you are interested in running, or would like to nominate someone, please give CJ a call, send an email to gsgracc@mindsync.com or give me a call.

FROM THE PRESIDENT

✶ This Rodeo year has been quite exciting to say the least. We have lost our Vice President of Rodeo Operations twice, our Treasurer and we are working on with a low budget. I believe this can only strengthen our Chapter and our Rodeo. We must all remember our #1 goal is to put on one of the best Rodeos in the IGRA circuit. We must work as a team; the experienced with the new. There are a lot of us in new positions and a lot of new members. This has led to a great influx of new ideas. We need guidance from all those members with experience as well. Those who would like to offer your input, please feel free to call me or any Board member. **NO IDEA IS A BAD IDEA.** I really want to see everyone get involved! Even if a Coordinator or Assistant Coordinator position is filled, we can always use an extra hand or two or three... Remember, you are responsible for getting your needs/wants known to the right party. I am so looking forward to a great 10th Anniversary Rodeo! Lets show everyone what a great team the San Diego Chapter is! There are no failures, only successes and opportunities for learning.

✶ I am deeply saddened to announce the passing of Trixie, Clay and Michael's horse. She will be missed. We have use Trixie many times in the past as our education horse.

✶ Thanks to everyone who helped at the Spaghetti Dinner. It was a great success and a lot of fun. Thanks to Mark for putting on a great event. Thanks to Marc's Bar and Grill, Robert, Dan, Charles, Jonathan (both of them), Joseph, Tim, Sharen, Ed, Michelle and especially David Pickle for those wonderful desserts. Great job. (If I forgot anyone, Whoops). Who's Miss M?

✶ Help Wanted: Chapter Treasurer: Jeff Jones has resigned and left to the Mid-West for employment reasons. We will hold elections at the General Membership meeting in June. Del Castillo has been gracious enough to be interim Treasurer and hopefully will run(Hint, Hint). Thanks Del! Thanks to Joseph for volunteering to be Assistant Treasurer.

✶ The Del Mar contract as been signed and put to bed! Yee Haa!!

GREATER SAN DIEGO CHAPTER - MAY 1998

STATE BOARD ELECTIONS

David Spence and Ken Valdez were elected as the Chapter's State Board Representatives during elections held at the General Membership Meeting on April 1, 1998. They will join our President, Nancy as the team representing our Chapter at GSGRA State Board functions. Ellis Rose and Robert Kojima were elected as alternates to replace any of the representatives that can't attend a meeting.

All of these fine people will take over from the current State Board Reps after the State Convention in May.

SPECIAL ELECTIONS

While we are on the subject of elections, the Chapter will be holding Special Elections at the May and June General Membership meetings.

At the May meeting, we will be electing a new Vice President of Rodeo Operations. Due to work and personal demands, Michael Taylor has had to resign this position.

At the June meeting, we will be electing a new Chapter Treasurer. Jeff Jones is moving out of the state so this position will be vacant. We wish Jeff the best of luck with his move. Our loss we be some other Chapter's gain.
