## GREATER LOS ANGELES CHAPTER

### From our President

It has been a pleasure and an honor serving as President of the Greater Los Angeles Chapter of GSGRA. We have made a lot of headway this year thus far and there is much still to do. There are some great people in place and I think this year's rodeo will be a great success due to the hard work of many people. In saying this I am sad that I will not be a part of the last months of prepping for the rodeo and moving forward with the changes needed in the chapter. I truly hope that the wheels set in motion will continue in the direction they are headed and whomever takes my place will continue on with what has been started and become a vital part of this organization. Due to personal reasons I will be resigning effective the end of the June chapter meeting and leaving California. I have enjoyed my time here in California and have had many great times while I was here with the many friends I have made. Thank you so much for believing in me and allowing me to be a part of this great organization. I will truly miss everyone that has been apart of my life through this organization.

Respectfully,

Bill Powell,  
 President GSGRA/GLAC

### And now some News from the Bylaws Committee...

Voting on Bylaws Proposals to Take Place at May Chapter Meeting There will be two Bylaws proposals presented for your consideration at the May Chapter Meeting. Voting on these proposals will also take place at this same meeting. Copies of the two proposals will be posted to the Yahoo Group at least 30 days before the May meeting.

The first proposal would move the Annual Meeting of Members to September and move the Elections for the Board of Directors to the July Chapter Meeting. The newly elected directors would be seated immediately following the Annual Meeting of Members. The intention is to give the newly elected directors some time to learn what is expected of them, plan for their administration, and be involved in the creation of the following year's rodeo budget.

The second proposal is a competing proposal. It would move the Annual Meeting of Members to November and move the Elections for the Board of Directors to the July Chapter Meeting. The newly elected directors would be seated immediately following the September Chapter Meeting. The intention here is the same as the first, but in addition it allows the newly elected directors to plan for and run the Annual Meeting of Members

## From Your President

On April 15<sup>th</sup> we held our "Buckin' Taxes" dance at the Cathedral Hill Hotel in San Francisco. The event was a tremendous success with over 200 smiling faces and tireless dancers in attendance. It's clear that there is a real craving in our community for an occasional Saturday night dance opportunity in the city. I'm pleased to announce that we're already planning to host another one on Saturday, July 29<sup>th</sup>. It's the night before the "Up Your Alley" street fair and so we're expecting a spectacular turnout and have a few special "twists" in store. Stay tuned for more details.

May marks the beginning of a new reign for our Bay Area Rodeo royalty team. I want to take a moment to personally thank our 2005 team for all the great work you've done this past year. Miss Patty Wagon, Bruce Wilkinson, and Stephen Taylor... you've been a very visible team hosting some fantastic parties and raising a lot of money for your charity—Sunburst Projects. You've made the chapter proud. Well done!

Since this publication will be put to bed before our results are final, I can't yet share with you who the new royalty team is. However, I can tell you... things are off to a great start with Gloria Whole, contestant for Miss Bay Area Rodeo '06, blowing her fundraising minimum out of the water and bringing in over \$700 for the chapter in one night. That's a new record for a single contestant! Way to go Gloria!

We've got lots of great events coming up and I'm hoping you're able to take part in some (or all) of them. I'm particularly excited about our Rodeo School on the 13<sup>th</sup>. This is a very unique opportunity that I encourage you to consider.

## **Message from the President**

By Glen Dickard

What's new here in the Desert? Well, it's with great pleasure I can announce that Mr. Al Wright has agreed to take on the role as the Rodeo Director of HOT RODEO 07. Both Al and I have the same goals and visions for our rodeo next year. Al was here in Palm Springs on April 15 and met with the board. It's now full steam ahead into HOT RODEO 07 for us.

With that task taken care of, the Chapter has been busy raising money while some of the Chapter members were in San Diego to attend the State meeting. Those who remained here in Palm Springs were busy selling our unwanted goods at the Chapter's first yard sale. I guess it is true that one person's trash is another person's treasure. The yard sale raised \$740.35; a lot of treasures were sold that day.

On Monday April 3rd, we hosted a bingo game at Hamburger Mary's. Our host for the evening was Ms.

Ann Walker from Sordid Lives. With a few O-69s, B-14s and I-21's, playing games like top and bottom, rim job and a few auctions, the Chapter raised over \$1600. So successful was the outcome of the evening that another one will be planned in the near future.

Still not happy to just sit back for awhile, the Chapter hosted its 2nd beer bust at Sidewinders. Although we did not raise as much as the 1st time, it will be an ongoing fundraiser. Over time we believe that it will become a good way to raise funds for the Chapter.

Then to end the month off right, we were in San Diego pouring beer. Thank you Greater San Diego Chapter for the chance to help you with your rodeo and to raise the funds for our Chapter too.

For the next few months, you will see us just as busy. We again will be having a beer bust and show at Sidewinders and we will be in Long Beach to march with them at Long Beach Pride along with many more meetings and planning sessions for HOT RODEO.

## **Message from the Secretary**

By Mike Warren

Last month we saw our membership climb to 79. This is

the largest the Chapter has seen in a long time.

In my home, I have seven roommates. One of them will be representing our Chapter in Royalty. Her name is Mary Horsefeathers aka Jacob Levine.

Jacob has appeared in shows at clubs including Toucans and is very excited to be representing the Chapter.

Mary Horsefeathers' "Mister" is Michael Alan. Many of you know Michael as that handsome guy doing the two-step at Sidewinders.

This ought to be great fun. I wish them both well in all of the performances and activities of the future.

## **American Mustang**

### **Breed Description:**

The Mustang is often called "The Symbol of the American West." Mustangs are known for their rugged athleticism and qualities of endurance.

### **Average Height:**

14 - 15 hands

### **Colors:**

Bay, black, buckskin, champagne, chestnut, cremello, dun, grey, grullo, palomino, perlino, pinto, roan, spotted, white.

### **Temperament:**

Mustangs that have been removed from the wild require experienced handlers, but a gentled Mustang can make a willing partner and a great family horse.

### **Members of this breed often excel in the following disciplines:**

- Trail
- Endurance
- Rodeo / Ranch

### **Breed History:**

The horses that first roamed the North American continent were wiped out nearly 10,000 years ago, probably due to overhunting. The horse was absent from the continent until the Spanish Conquistador Hernando Cortes reintroduced them. During the Spanish campaigns in the New World, horses escaped or were lost and became "mestenos" (ownerless or stray horses). It is from this Spanish word that the word "Mustang" is derived.

The growing population of wild horses was deliberately encouraged for nearly two centuries, when it was common practice for the Spanish government to ship horses to the New World for release into the wild. This practice was meant to deter the local native tribes from stealing horses from the Spanish settlements (it was hoped they would take to capturing wild horses instead). It is believed that more than 10,000 horses were released into the Rio Grande region during this time. These Spanish-bred horses soon spread across the west, and interbred with various other feral breeds. By 1900, there were more than two million wild horses in the United States. By 1970, fewer than 17,000 remained. Ranchers had killed most of them in the interests of protecting grazing lands for their cattle.

The Wild Horse and Burro act of 1971 changed this practice, and the American Mustang came under the control of the Bureau of Land Management. Today, there are nearly 41,000 Mustangs on public lands.
