## FROM THE EDITOR:

Well, another Rodeo has come and gone and I would like to personally congratulate Rodeo Director, Laura Scott, and Assistant Rodeo Directors, Doug Graff & Matt Cox, on putting on a great rodeo for our community.

If you were able to attend on Saturday, you also saw a wonderful tribute to DeShannon Christi Jewel by many of our rodeo friends and family. It was quite an amazing moment to witness,

As we go to press, our newly elected Board of Directors are in office. Many thanks to the 2012-2013 BOD, and we look forward to many great things from the 2013-2014 Board.

A huge thank you to The Luxor, The Garage & Charlie's Las Vegas for hosting our visiting Cowboys & Cowgirls all weekend long!

## Congratulations

I must congratulate all those who volunteered to make BigHorn Rodeo a success. Everyone who had volunteered arrived at Horseman's Park well ahead of their scheduled work time, worked hard through their shifts. I received many compliments about their excellent performance.

Some arrived to help set up the Park on Thursday morning and were still working at tear down on Monday morning. Many worked all day during rodeo on a variety of tasks many less glamorous than others, but all equally important.

I must also thank the Imperial Royal Court of the Desert Empire who provided all the volunteers needed to sell Scrips.

I would like to remind all my volunteers to complete the feedback form they have received. Feedback is what makes next year's rodeo even better than this.

And thanks to those who have already volunteered for next year. I already have a little list. I would like to make it a long one. If you enjoyed yourself this year or admired what the volunteers did and want to join the team next year make sure you are on it.
